Change of timetable for session 22/23

School planning for the new timetable continues at pace and the planned date for change of timetable will be Tuesday 7th June, following the Jubilee holiday.

Reminders:

Latest Covid advice for young people is (those aged 18 and under) that those with mild symptoms such as a runny nose, sore throat, or slight cough - but who are otherwise well - do not need to stay at home and can continue to attend education settings. They should only stay at home if they are unwell and have a high temperature. They can go back to school, college or childcare, and resume normal activities when they no longer have a fever and they feel well enough to attend.

Face coverings –Stocks of face coverings are available for those who wish to wear a face covering. Guidance still recommends that these are worn in common areas and whilst moving about the school.

School Uniform - All young people are expected to wear school uniform including blazers and ties at all times, ties can be purchased from the school office at a cost of £4. Any young person who requires support from the school with regards to uniform should see their guidance teacher in the first instance. All young people should change into and out of PE kit following PE lessons.

CORRIDORS: The first, second and home economics/tech corridors should **not** be use during break and lunchtimes. **Please only use the canteen and outdoor areas, this will ensure areas are kept quiet for exams.** Our S3 prefects will be monitoring these areas and all pupils should follow any instructions given by the prefects. Pupils should only be in corridors if they are going to see a specific teacher, however, please be mindful of exams taking place and take note of any signage.

S4/5/6

The School has just been informed that there will be roadworks at Guardbridge 5th May – 13th May. During the morning, traffic lights will be in operation after the school buses have passed (after 9am). However, lights will be in operation after this time. If candidates have an exam later in the day, then they should be aware that journey times may be longer. Latecoming for an exam is not consider grounds for an appeal.

Exams – any pupil sitting an exam must hand in all phones and bags to the main office. No bags are to be left unattended in the school.

Study Leave Expectations - for S4-S6 pupils sitting examinations, the expectations during study leave are as follows:

Pupils should study at home and prepare for upcoming examinations.

When attending school for exams/course completion - all pupils **must wear school uniform.**

Pupils **must use the main entrance and sign in at the office.**

If pupils do not have an appropriate study area at home, then the LRC is available to use.

If pupils are coming into see a specific teacher, then do so at the normal timetable lesson.

It is important for all our pupils to follow these expectations during exam leave.

Thank you for your support.
